FOR IMMEDIATE RELEASE

Unofficial Results Available Following Election on Supervisor of Elections' and Florida Division of Elections' Websites

ALACHUA COUNTY, Fla. (August 28, 2018) — Unofficial results for the 2018 Primary Election will be available following the closing of polling places on the Alachua County Supervisor of Elections' and Florida Division of Elections' website.

Results will begin appearing around 7:15 p.m. on the Supervisor of Elections' website and after 8 p.m. on the Florida Division of Elections' website.

The link for the unofficial results in Alachua County is enr.electionsfl.org/ALA/1936/Summary/, and it will be published shortly before polls close. To get results on statewide and multi-county races, go to floridaelectionwatch.gov.

The unofficial results will include votes cast by mail, at early voting sites and on Election Day. Unofficial results will not be available from all precincts at once because precincts transmit results at different times.

On the Supervisor of Elections' website, the unofficial results page updates in real time the number of precincts reporting, as well as whether early voting and vote-by-mail ballots are included.
